Please refer to Dispatch Rule XII.K Travel Time and Overnight Stays for specific details

The Board of Examiners will credit hours for commuting to and from the work site when not compensated by the employer. These hours can be petitioned for list placement with the intent to incentivize Seattle Metropolitan Area workers accepting work farther out of Local 15's geographic jurisdiction and to acknowledge the barrier for workers who live in distant areas to come into the Seattle Metropolitan Area. The worker's home address must be up to date on Union Impact or contact the BOE for an exception. Hours are limited to 2 one-way trips in a single workday according to Table K.1 in the Dispatch Rules (with an exception for travel days for addiquit rest) and 4 hours for a single overnight stay when required or strongly encouraged by the venue/employer to stay on-site or in employer provided housing/campground. This form must be turned in within 30 days of the last day of the call.

The BOE does not condone utilizing these hours in lieu of adequate rest between calls and can vote as a committee to deny these hours if the BOE feels this Dispatch Rule is being abused.
